UC 13A6	25cm pot	\$74.95
UC 13A6	20cm pot	\$44.95
Verdale	25cm pot	\$74.95
Verdale	20cm pot	\$44.95

Most olives are partially self-fertile. Cropping may be improved by planting two or three different varieties for cross-pollination. Note: We recommend planting Manzanillo and Spanish Queen together for cross-pollination. Picual is also known to be a particularly good pollinator for most varieties. Some combinations won't cross-pollinate each other including Kalamata & Manzanillo, Mission & Kalamata.

<b>PEPPERBERRY <i>Tasmania lanceolata</i></b>		<b>Price</b>	<b>Pollination</b>
Male Mountain Pepper	2L pot	\$21.95	Female mountain pepper required for pollination.
Male Mountain Pepper	180mm pot	\$37.95	Female mountain pepper required for pollination.
Female Mountain Pepper	2L pot	\$21.95	Male mountain pepper required for pollination.
Female Mountain Pepper	180mm pot	\$37.95	Male mountain pepper required for pollination.
